

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

whole or part. In case of restaurants and hotels tight barrels with tight-fitting covers may be used in place of cans.

Fourth.—The scavenger or garbage collector shall provide a covered tank wagon, so constructed that it shall not leak or spill, in which all garbage to be removed shall be collected and conveyed to places at least one-quarter of 1 mile outside the city limits, there to be disposed of.

Fifth.—The wagon and conveyors used for the collection shall be cleansed, and as free from offensive odors as possible; nor shall they be kept in any street, alley, or public place, nor upon any private premises longer than is reasonably necessary to collect the garbage, nor within the city limits except by permission of the health officer.

### **Foodstuffs—Care and Sale—Meat Markets—Bakeries and Confectionery Shops. (Ord. 311, Nov. 18, 1914.)**

RULE 9. It shall not be lawful for any vendor of meats, poultry, fish, vegetables, fruits, candy, or confectionery to expose the same on the outside of markets, stalls, or streets, or in open windows or doorways, unless constantly protected from dirt, dust, filth, flies, and any injurious substance; it is also required that all fish and poultry intended for sale in the city of Holland shall be drawn and properly cleaned immediately after being killed.

RULE 10. It shall be unlawful for anyone to sell or offer for sale any tainted unwholesome, or diseased meats, fish, poultry, or products of the same, or any decayed or unwholesome fruit or vegetables, nor shall such meat, fish, poultry, or other products be treated chemically or otherwise to disguise or overcome signs or appearance of taint.

The health officer, city inspector, or any member of the board of health may seize and confiscate any such tainted, unwholesome, or diseased meats, fish, poultry, or products of the same, or decayed or unwholesome fruit or vegetables, or any of said articles which have been chemically treated as aforesaid.

The health officer, city inspector, or any member of the board of health may affix, or cause to be affixed, to such meats, fish, or poultry which is tainted or unwholesome or diseased, or to any products of the same, or to any receptacle or package containing the same, a card or tag stating that the same has been condemned and the reason therefor.

RULE 11. Every butcher and market man shall keep the floor blocks, counters, locker, utensils, and every part of his market and premises clean and free from all filth and dirt and flies.

RULE 12. Every baker and confectioner, and every dealer in baked goods and confectionery, shall keep his cases, counters, tables, and utensils, shelves, and every part of his place of business clean; and shall protect all such baked goods and confectionery from dust, dirt, flies, and all manner of filth until delivered to the customer.

### **Wells, Springs, etc.—Prevention of Contamination of—Use Discontinued When Contaminated. (Ord. 311, Nov. 18, 1914.)**

RULE 13. No privy, vault, or cesspool shall be placed or permitted within 50 feet of any well, spring, or other source of water supply used for cooking or drinking purposes. It is also ordered that whenever any well, spring, or source of water supply is deemed unwholesome or unsafe by the board of health the same shall be put in a safe and wholesome condition, or shall be removed and its use discontinued.
